The away end and tickets

Villa Park, Trinity Road, Birmingham B6 6HE. Away supporters sit in the north-east corner of the Doug Ellis Stand, across upper and lower tiers around blocks P and Q. Use the entrance on your ticket. Historic photos may differ from the present layout.

Download the digital ticket emailed to you or the lead booker; it is not in the Brentford app. For the October fixture, the allocation was 3,000. Under-14s must enter with an adult. Cashless stadium: bring a card.

Aim to reach the ground about an hour before kick-off. If stairs are difficult, discuss your seat and access route before travel; earlier visitor guidance describes 64 steps to the upper tier. Respect any designated family-friendly seated area.

Bags and objects

Travel with as little as possible. All bags are examined by a steward. Do not rely on storage at the ground: earlier Brentford guidance says none is available. Keep larger luggage at accommodation or a confirmed storage facility.

Check the latest prohibited-items rules before bringing food or drink containers, umbrellas, cameras or a banner. Arrange medically necessary items and equipment with accessibility@avfc.co.uk in advance.

Villa visitor rules | Brentford stadium guidance

Getting there and home

Euston → Birmingham New Street, or Marylebone → Birmingham Moor Street, then walk to New Street. From New Street, local trains to Witton take about ten minutes and normally run twice an hour. Witton is the nearest station to the away area.

The matchday shuttle runs from Dudley Street beside New Street to Villa Park. The published fare is £5 return, payable by cash or card to the driver. Allow for the walk from the drop-off to your entrance.

Driving parking and coach

From West London / Berkshire, use the M40, then compare M42 / M6 routes against live traffic. Villa recommends M6 junction 6 for the approach. Navigate to the car park's booked entrance rather than only the stadium postcode.

Y International, B6 7LG, is a pre-book option used by Bees. King Edward VI School, B6 6DJ, is another site listed in earlier club guidance. Respect residents' parking and matchday road restrictions around Witton Lane / Trinity Road.

The October Brentford coach fares were £41 adult / £32 concession. Use the club's fixture information for booking and boarding instructions.

Y International map | Parking booking | Club travel

Food drink and families

Birmingham city centre offers food before the onward journey. The Square Peg, 115 Corporation Street B4 6PH, is an option in earlier Brentford guidance. For families, a city-centre café or restaurant can be easier; leave time to reach the ground.

The Tennis Court, 253 Walsall Road B42 1TY, has appeared in visiting-fan guides but is around 35 minutes' walk away. Do not assume pubs near the ground accept away supporters; earlier Brentford guidance specifically excludes the Witton Arms.

Square Peg map | Pub information

Access and help

Arrange access support with accessibility@brentfordfc.com and accessibility@avfc.co.uk before travel, including accessible parking, personal assistant tickets or audio commentary. Confirm your step-free route. Missing digital ticket 48 hours before kick-off? Contact Brentford's box office: 0333 005 8521. At the ground, speak to a steward.

BIAS Insider Tips

• Y International has worked well: pre-book, allow 15–20 minutes to walk and expect exit queues. Parking felt secure and monitored; the location is handy for returning towards the M6.

• Breakfast / lunch option by car: Cherwell Valley Services, M40 junction 10. Check outlets and opening times.

• Previous visits found the upper tier gave a good view, with seats further along the pitch preferred. The balti pie was good; menus can change.

Cherwell Valley facilities

Before leaving for the stadium:

download match and travel tickets • check travel arrangements road/ rail/ coach • charge phone • payment card • pockets / bag checked for banned items • return travel home secured • download the 'On The Day' guide from the BIAS website here
