Hull City v Brentford • Sun 25 October 2026 • 2pm

Fixture update

TRAIN → GROUND

Due to engineering works scheduled on Sunday 25th October there is a reduced train service between London Kings Cross and Hull. There is one direct train from London King's Cross at 8.57am, arriving in Hull at 11.33. For the return journey there is a train at 16.36 direct, which given the time to walk between the stadium and the station maybe difficult to make. The next is at 19.09 to London's Kings Cross.

There are other trains available to and from Hull, but these require a change at Doncaster.

Hull Paragon → MKM: around 20 minutes on foot via Anlaby Road, Argyle Street and the matchday footbridge. Leave time for the walk back to your return train.
