Saturday 10 October 2026 • 3pm BST • Premier League

TRAVEL LIGHT — AN A4 SIZE BAG POLICY APPLIES

Only bags no larger than A4 size (297mm x 210mm) are permitted into Villa Park and all bags will be examined by a steward before entry. Supporters carrying a bag should allow extra time for security screening. Arrange medical exceptions with Villa ahead. Away fans are in the left-hand corner of the Doug Ellis stand

TRAIN TO GROUND AND RETURN

Euston → Birmingham New Street, or Marylebone → Moor Street, then walk to New Street. Take the local train to Witton, nearest the away area: about ten minutes, normally twice an hour. Matchday Shuttle Bus: operates between Birmingham New Street Station (Dudley Street) and Villa Park for £5 return, payable by cash or card to the driver.

DRIVING PARKING AND COACH

M40, then M42 / M6 as live traffic suggests; Villa recommends M6 junction 6. Use your booked car park's entrance, not just the stadium postcode. Y International B6 7LG is pre-book option. Respect residents' parking and matchday road restrictions.

Brentford coach: £41 adult / £32 concession.

FOOD AND GETTING IN

Eat in Birmingham city centre before travelling to the ground. The Square Peg, B4 6PH, is an option.

Doug Ellis Stand corner, upper / lower tiers: follow your ticket entrance. Aim to be at the ground by 2pm. Download the emailed digital ticket which you or the lead booker should have received by email; it is not in the Brentford app. Cashless: bring a card. Under-14s must enter with an adult.

NEED HELP

Missing digital ticket 48 hours before kick-off? Contact Brentford's box office: 0333 005 8521. Arrange access support with accessibility@brentfordfc.com and accessibility@avfc.co.uk. At the ground, speak to a steward.

BIAS INSIDER TIPS

- Y International has worked well for parking on previous visits: pre-book, allow 15–20 minutes to walk and expect exit queues; the parking felt secure and monitored.
- Breakfast/lunch option if driving: Cherwell Valley Services, M40 junction 10.
